2026 is a milestone in the life of the Evangelical Lutheran Church in Canada as we mark 40 years since the formation of our church. Join ELCIC National Bishop Larry Kochendorfer as we begin our Lenten journey and reflect on this 40th anniversary milestone: where have we been, where are we today, and how is God calling us forward as we seek to be a church *Living out God's grace and unconditional love* for the next 40 years. ## 2. Global Mission Sunday

The ELCIC celebrates Global Mission Sunday annually on the first Sunday of February, which this year lands on February 1.

Global Mission Sunday is an opportunity for congregations across the church to give thanks for God's mission in the world, and our shared call to serve, accompany and bear witness alongside our global partners. Since 2018, the ELCIC has recognized Global Mission Sunday, lifting up and reflecting on the many relationships that connect the ELCIC with Lutherans around the world.

## 3. Diaconal Ministry Sunday

On Sunday, February 22, 2026, congregations across the Evangelical Lutheran Church in Canada will observe Diaconal Ministry Sunday. This annual day of emphasis lifts up the ministry of service — *diakonia* — and honours the ministry of diaconal ministers, who share Christ's love through service, compassion, and justice in the world.

Within the ELCIC, diaconal ministers are rostered leaders called to ministries of word and service. They serve in congregations, schools, hospitals, social service agencies and other community organizations, helping the church live out its faith in daily life while serving the needs of the wider community.

To support congregations, [the ELCIC has prepared 2026 Diaconal Ministry Sunday resources](#), including a sermon (both text and video files available) and worship and education materials, available for use throughout February.

EN DEL AF FOLKEKIRKEN

Evangelical  
Lutheran Church  
in America

ELCIC National Bishop Larry Kochendorfer, along with Lutheran church leaders from the United States and Denmark issued a message of support for the people of Greenland, affirming their right to independence, dignity and self-determination.

Released in mid-January, Bishop Kochendorfer — alongside Presiding Bishop Yehiel Curry of the Evangelical Lutheran Church in America and Rt. Rev. Henrik Stubkjær of the Evangelical Lutheran Church in Denmark — voiced solidarity with the Church of Greenland and Bishop Paneeraq Siegstad Munk amid growing international concern regarding Greenland's future.

"This is a question of human rights, dignity, and respecting international laws and treaties," the leaders shared. "We are a small people, but we are not invisible."

In their shared message, the bishops call for prayer, peace and respect between nations, while encouraging advocacy for the rights of the Greenlandic people.

## 5. A Letter to the Church From the National Bishop

ELCIC National Bishop Larry Kochendorfer has written to the church, expressing solidarity with the people of Minnesota and for all who have been impacted by recent aggressive and violent immigration enforcement by federal agents.

"As a church, we join with The Rev. Yehiel Curry, Presiding Bishop of the Evangelical Lutheran Church in America (ELCA) in calling for a thorough investigation into this case, accountability for the shooting, and a de-escalation of ICE enforcement across the United States," the letter reads.

As the landscape of Canadian churches changes across the country, interest in Ecumenical Shared Ministry (ESM) as a means of supporting vibrant and sustainable church presence and witness in communities from coast to coast to coast is growing. ESM involves the moving into an intentional partnership with one or more of the other Christian churches in your neighbourhood or town to share more of your life and ministry together. This can include things like sharing programs, ministers, buildings, worship services, and more. This online educational event is designed for people in local congregations who are interested in exploring the possibility of ESM as a fit in their context, and who want to learn more.

Special guests include Canadian ESM experts such as Rev. Dr. Sandra Beardsail, and Ms. Cathryn Wood, from the Prairie Centre for Ecumenism, together with members of the national Lutheran-Anglican-Moravian Commission. While the gathering will have some specific focus on the potential relationships of these three full communion churches, participation from other denominations is also warmly welcome and encouraged.

Curious about what shared ministry could look like where you live? [Register now for the February 12 ESM Education Event](#) and take the first step in exploring ecumenical partnership.
