Dear User Groups,

October 23, 2020

We want to thank all of you for your patience in what is a very difficult time, especially for groups like yourselves who rely on access to space in order to carry out your activities. Over the course of this pandemic the main concern of Our Saviour's Lutheran Church has been the safety of the Prince George community. Our church council reviews building use by user groups on a monthly basis. At our council meeting in September we passed a motion that reads:

Out of concern for health and safety, and our 'duty of care' as a congregation that a letter be sent out indicating that user groups continue to be curtailed for the time being. (September 08-20)

Therefore at this time we are not having any user groups use the inside facilities. If this changes we will inform all user groups. For more information about our current building usage please visit our website at www.oursaviourslutheran.ca/covid-19

Sincerely,

Heather Empey
