Want to join us in making a difference? We are raising money to celebrate Pride 2021 by painting a giant mural on Our Saviour's Lutheran Church in Prince George celebrating the LGBTQIA2S+ community! Our summer student Hannah Wingerter will be working with other queer artists in the community to design and carry out this amazing mural project.

Churches have been a dangerous and fearful place for the LGBTQIA2S+ community for far too long. As Pride month approaches, we feel it is time to make a loud statement about how we are addressing this issue and working to reconcile with this community. Not only do we want everyone to see and know that we are an inclusive and safe space, but we also want to inspire other churches and public spaces around Prince George to do the same.

By creating this mural, Our Saviour's Lutheran is reaching out in a vulnerable and creative way to both recognize the hurt that queer people have been through at the hands of churches and to attempt building a healthy relationship between spiritual spaces and the queer community. We realize that this is only one step of many that must be taken to reconcile with the LGBTQIA2S+ community, and we feel that this representation of love and acceptance constructed at a time when the Pride celebration has been dampened by the pandemic is a step we must take in cultivating an atmosphere of healing in Prince George.

Any donation will help make an impact. Thanks in advance for your contribution to this cause!:)
